YEAR 5 – ANCIENT TECHNOLOGY CENTRE TRIP – REMINDER

Dear Parents and Carers,

We are very much looking forward to our Anglo-Saxon trip to the Ancient Technology Centre on Friday 6 March. Thank you to the parents who have made payment and part payment. The trip will not be able to happen if its funding is not fully secured. **Currently we have a shortfall of £210.00 for this trip.**

The children are very much looking forward to an exciting trip to the Ancient Technology Centre where they will enrich their understanding of the Anglo-Saxons. The children will enjoy tasks our ancestors had to do in the past, such as: **farming, fire-making and fence building.**

We will be travelling by coach, on Friday 6 March 2026. The children should arrive at school on time for a prompt 8:45am departure. Please note that we will be leaving the centre at 2pm. **Please collect your children from school around 3:15pm depending on traffic.** The children will need to wear old clothes and comfortable trainers that they do not mind getting dirty. As we are going in March, please also bring a waterproof coat.

Please provide your child with a named packed lunchbox and a named drink (no cans or glass bottles), in a suitable backpack. If you have already ordered a hot lunch for your child, then your order will automatically be converted to a packed sandwich lunch. However, if you wish to provide your own packed lunch for this trip you must contact the office before Tuesday 3 March. The school frequently incurs losses by preparing lunchboxes, which are not taken up on trips.

We are excited for this fun, interactive and educational trip that will enrich your child's learning.

Kind regards,

Miss Mowlam and Miss Salter
