YEAR 6 - '12' RATED SHOWING OF WAR HORSE

Dear Parents and Carers,

In English, as you know, we have been reading the text 'War Horse' by Michael Morpurgo, as well as learning about World War I in History. To support the children's learning related to this, we would like to watch the film 'War Horse' with the children on Friday 24 October. The '12' rating is based on the fact that the film contains "infrequent moderate battle violence".

If you have any queries or concerns about this, please speak to us directly at pick up time, or email the school office. Please see the link below from the BBFC for any information regarding the film and its rating.

If you would prefer to opt your child out of watching the film, please contact the school office to inform us.

Kind regards,

The Year 6 Team
