IMPORTANT REMINDER - NUT FREE SCHOOL

Dear Parents and Carers,

We have a number of children in school with severe, life threatening nut allergies and for that reason we are a **strictly nut free school**. We are closely monitoring this and are having to remove items from children's lunch boxes far too frequently, which is unacceptable.

Please do not send any nuts or items containing nuts in to school; neither in their children's lunch boxes nor any other food that is sent in to school. This includes Nutella and other chocolate spreads, along with many cereal bars.

We have a duty of care to protect all of the children in our care as well as staff, and have no choice but to remove these items from children's lunches and dispose of them for the safety of our anaphylactic children.

We thank you for your co-operation in helping to keep our children safe in school.

Kind regards,

Andrew Bright
