Rejoicing in our Statutory Inspection of Anglican and Methodist Schools (SIAMS) Outcome (J1)

A day to celebrate – Friday 24 October

Dear Parents and Carers,

Further to sharing the news about our recent SIAMS inspection outcome, which reflects the hard work and commitment of our whole school community, we have been planning a way to celebrate this achievement with the children. On **Friday** we will have a special day, allowing some time to **Rejoice** together as a flourishing community.

Here are the details of the celebration:

- **Children may wear their own clothes all day** to mark this special occasion – please ensure these are suitable for the weather conditions and outside play.
- There will be an extended morning breaktime.
- Each child will receive a **mini bag of Haribo sweets** to enjoy in class. For those who require, vegan alternatives will be available. Please contact [parentmail](#) if you wish to opt your child out of this treat, or update dietary requirements.
- The children are invited to **bring board games** from home (please name these) or make use of the school's wet play resources for a Golden Hour of fun in the afternoon. **Electronic devices are not permitted.**

We hope this day will be a joyful celebration of our shared success and a chance for the children to enjoy some well-deserved fun before the half term break.

Don't forget you can read our full report [here](#).

With kind regards,

Andrew Bright
Headteacher
