SAFEGUARDING CONCERN - SPY DOGS / PUPS / CATS BOOK SERIES BY ANDREW COPE

Dear Parents and Carers,

We have been notified by BCP safeguarding team about a potential pornographic link found in a series of children's books.

"The books involved are the series Spy Dogs/Pups and Spy Cat books written by Andrew Cope. These books contain a link to a website which contains highly pornographic content. The book asks children to explore the website to find more about the characters in the book. It appears the website identified on the back or inside page has now been compromised and takes users to a pornographic website with no age verification."

We have asked teachers to ensure any copies of these books are immediately removed from classrooms and library spaces. We ask that you also please check at home and return any books immediately to our school office. There are no concerns regarding the content of the actual books – it is the compromised website link we needed to bring to your attention.

Should you have any concerns in relation to this, please do not hesitate to contact us. Thank you for your vigilance with this matter.

Kind regards,

St Mark's C.E. Primary School
