

Dear Parent/Carer,

We are writing to invite you to attend an upcoming online webinar for parents and carers of children aged 10–18, focusing on knife crime awareness and prevention.

We understand that knife crime is a topic that can cause concern for families. The purpose of this session is to provide reassurance, share accurate information, and help you feel confident in supporting your child.

During the webinar, representatives from our local policing team will:

- Explain what local police are doing to prevent knife crime and keep young people safe
- Offer practical advice on signs to look out for if you are worried about your child
- Share guidance on what to do and who to contact if you have concerns
- Answer questions from parents in a supportive and informative environment

This session is designed to be informative, reassuring, and helpful, whether you currently have concerns or simply want to stay informed.
