YEAR 2 – D&T: JUNK MODELLING

Dear Parents and Carers,

Next week, the children will be completing and evaluating their junk-model cars, ready to take home. They have already made the chassis in school, but we now need your help to create the car bodies!

On **Friday 22 May**, please could your child bring in a few recyclable items to help build their vehicle.

We would appreciate **2–3 of any of the following items:**

- Cardboard cereal boxes (any size)
- Empty, cleaned yoghurt pots
- Small pieces of loose cardboard
- Clean plastic pots or containers

Please avoid sending anything too heavy, as the chassis are made from card, so lighter materials work best.

Please make sure your child has enough materials for their own project, as spare resources quickly get used each year!

Thank you for your continued support.

Many thanks,

Mrs Rose, Mr Knight and Mr Lasbury
