YEAR 2 – RELIGIOUS EDUCATION ACTIVITY : FOOD TASTING

Dear Parents and Carers,

On Thursday 11 June, as part of our Religious Education unit on Judaism, the children will have the opportunity to take part in a special food-tasting activity.

To help bring our learning to life, the children will be given the option to try some traditional foods: **challah bread, apples dipped in honey and pomegranate.**

Please note that taking part in the food tasting is entirely optional. We have fully reviewed all food allergy records and will take these into account before serving any food. However, if you have any specific concerns, or if your child's dietary requirements have recently changed, please come and speak to us as soon as possible.

If you would prefer your child **not** to take part in this activity, please let the class teacher know by Wednesday 10 June.

Thank you for your continued support.

Warm regards,

The Year 2 Team
