ROTARY SHOEBOX APPEAL

Dear Parents and Carers,

We will again be supporting the Rotary Shoebox Scheme. In Worship this week we covered what to pack and how to create a shoebox for donation to the appeal.

All the boxes that we have received at school have been taken today. We will contact the Rotary appeal request more. There is a slip of paper by the red post box, please have your child fill in their name and class and when more boxes arrive, we can give them to the children. You are welcome to also use your own shoe box.

We have received a request for shoe boxes to be returned no later than 18 October. Please bring your filled shoe box to the office, clearly marking the intended age group and attaching the **£2 donation** (sellotaped) to cover transportation and administration costs.

Kind regards,

St Mark's C.E Primary School Office
