YEAR 3 – SCIENCE ZONE TRIP

Dear Parents and Carers,

We are pleased to be taking Year 3 children on an exciting trip to Science Zone where they will enrich their understanding of our Science unit on light, as well as our Computing unit on programming. During our time there, the children will also get to explore some of the other exciting exhibits.

We will travel by minibus and will leave school at 9am and return at lunchtime. The children will need to wear full school uniform.

3JW will be going on Tuesday 20 October and 3GC will be going on Wednesday 21 October.

Please provide your child with a named water bottle, in a suitable backpack. The children will be eating their lunch **at school as normal.** Please ensure your child has a fruit snack on this day.

For this trip, we request a voluntary contribution of a minimum of **£10 payable through Arbor before Friday 9 October**. We are dependent on the voluntary contributions for the visit to go ahead and ask parents to help with this. We will have no choice but to cancel the visit if we do not receive enough contributions to cover the cost of travel and fees.

If you would like to be a parent helper and can arrange your own transport to and from Boscombe, please speak to your class teacher or send us a parentmail.

We are excited for this fun, interactive and educational trip that will enrich your child's learning.

Kind regards

Mrs Wilson and Miss Clement
