RECEPTION DONATIONS

Dear Parents and Carers,

Reception would like to add some new resources to their learning spaces, particularly our outdoor space, and we are hoping our wonderful school community would be able to help. We are looking for some generous donations to help us work towards this vision. Some of you might work for companies that have materials left over or recently did a garden makeover and have items spare.

Some examples of materials could include:

- Wooden cable wheels (for seating, tables etc.)
- Logs
- Pallets and crates
- Guttering
- Toy cars / playsets etc.
- Any role-play stations (in a sturdy, good condition). Please send a picture if possible.
- Old pots and pans

If you have anything you think might be useful to us, please do get in touch. If you would like us to take a look, please don't hesitate to send us a picture. We can only accept donations of good quality.

Outdoor play is such a valuable part of the EYFS curriculum and although we have a range of wonderful resources to use in our outdoor space, we feel we can take it to the next level and be an even more fantastic space for learning.

If you are unsure and would like to discuss this with us, please do get in contact.

Kind regards

Mr Vacher and Mrs Wells
