OFSTED INSPECTION OF ST. MARK'S C.E. PRIMARY SCHOOL

Dear Parents & Carers

Following our recent Ofsted inspection, we are extremely pleased to share that our children continue to attend a 'Good' school. This is something that we can collectively **rejoice** in and certainly something that we should all be very proud of.

Overall effectiveness	Good
Quality of education	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good
Early years provision	Good

Please take a few minutes to read the report as it includes a summary of findings from the inspection team and includes information about how the judgements were made. This can be found on our website under Key Information, Inspection Reports.

On behalf of the Governing Body, I would like to congratulate the whole school community and thank you all for your commitment to our school. These inspection findings celebrate the hard work and dedication that all school staff continue to demonstrate as we strive to provide the very best education for our children.

We thank you as parents for the important role that you play in our school community and supporting your children's learning. Thank you to those of you that were able to complete the survey, your feedback is being reviewed and will support the next steps in our development plan. We also thank our children who continue to shine and aspire to be the best that they can be in all areas of school life.

The outcomes of this inspection, alongside our internal monitoring of standards, will be used to refine our school development plan so that we continue providing our children the very best education that they deserve.

Yours sincerely,

Lisa McGaw

Chair of Governors
