**YEAR 2 – D&T: PERFECT PIZZA**

Dear Parents and Carers,

Next term as part of our D&T 'Perfect Pizza' learning, we will be making our own pizzas.

We will be using the following food products;

- bread products including naan, pitta bread, tortilla wraps and bagels.
- pizza toppings including passata, mozzarella and cheddar cheese (dairy free alternatives provided for dietary requirements), sweetcorn, pepper, pepperoni, pineapple, ham and spinach.

We have checked the allergy and dietary information which you have shared with the school and we will ensure that this is followed. However, if there are any changes to your child's allergy or dietary information or you would prefer that your child does not participate in the tasting please let us know by emailing parentmail by 9 January.

If you have any questions, please see one of the Year Two team.

Many thanks

Mrs Rose, Mr Knight and Mr Lasbury
