REMINDER FOR RECEPTION

Dear Parents and Carers,

The children have settled in well and are gradually getting into the routine of the school day. They are getting better at remembering to bring their items in from their lockers into the classroom and where to keep their belongings.

One of the items they need to bring into class with them is a fruit snack. Please can this be a single piece of fruit or **SMALL** pot of fruit that they are able to eat easily and quickly. We have plenty of additional fruit in class that they have access to should they need.

As well as their fruit snack, some children have been enjoying milk alongside their own drink. Please do make sure you have registered directly with cool milk. <https://coolmilk.com/parents>.

If you have any questions, please contact the office and they will be happy to assist.

Kind regards,

Mr Vacher and Mrs Wells
